

FRESH PRODUCE

CEP Trisuit > £149.99

CEP's triathlon compression skin trisuits are designed to deliver efficient compression to help your muscles breathe, give you more energy, stamina and performance. This compression is said to improve blood circulation, help prevent injury and stabilise muscles and joints. Mediuk.co.uk

Brodie From > £8.95

Brodie Skin Care's Recovery Phase range of products offer a great way to help your skin recover from the stresses of exercising outdoors or in the pool. Its pH balanced, ultra-moisturising and non-greasy formula sinks into skin rapidly to deliver intense hydration. It's packed with vitamins, antioxidants and ultra-moisturising ingredients. Brodieskincare.co.uk

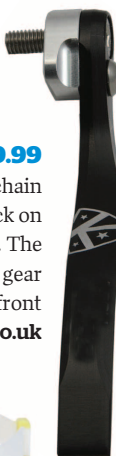

Giro Mele shoes > £149.99

Giro's lightweight (242g) Mele tri shoes feature breathable mesh uppers with bi-axial straps and has light yet stiff low profile Easton EC 70 carbon soles. Inside are Giro's Supernatural Fit System footbeds with adjustable arch supports. Madison.co.uk

Madison.co.uk

K-Edge Road Chain Catcher > £29.99

K-Edge has an updated version of their chain catcher that is engineered to guide the chain back on should your chain fall inside of the inner ring. The new chain catcher, which fits on to you front gear mech, allows independent adjustment of the front mech and chain catcher. Madison.co.uk

Speedo Fastskin3 Elite Goggles > £40 (mirror lens)

The Fastskin3 has been designed to offer a great seal with maximum comfort and a hydrodynamic profile while providing a wide peripheral vision, which means less head movement. They're neat, slick and come with three interchangeable nose bridges to get the perfect fit. Speedo.co.uk

SiS Rego+Fruitflow Regel > £2.99

Science In Sport's new Fruitflow gels contain naturally occurring tomato compounds that beneficially interact with blood platelets to contribute to healthy blood flow.

This helps during both activity and recovery so you bounce back quicker. Madison.co.uk

New Balance Minimus 10V2 Road > £79.99

As the name suggests this a minimal shoe with 4mm heel-to-forefoot drop and wide toe box for a natural ride. While these shoes offer a barefoot-like running experience they do so with a little cushioning underfoot. Newbalance.co.uk

Huub SKN-1 Swimskin > £250

Huub's new SKN-1 swimskin designed in conjunction with Huub Tousaint and Swim Smooth has a smooth profile surface and uses water resistant fabrics to reduce friction in the water. It streamlines and compresses the body shape to reduce frontal drag and helps with redistribution of body mass to change the body's centre of buoyancy. Huubdesign.com
